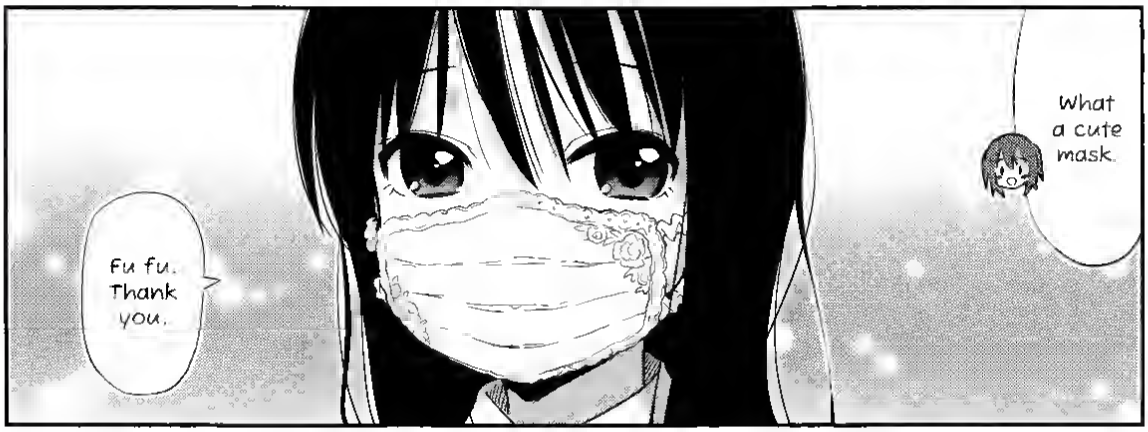
Good morning, Yoriko-senpai
Morning, Sayuri
Heeh
Heeh
Do you have a cold?
HE CHOO!
It's hay fever.
Aah, it's bad around this time, isn't it?
Now, let's hurry to school
glisten
glisten
glisten
Senpai, an incredibly long snot is hanging from your nose.

ゆりめく13

I should put on my mask.
fasten

『It's a date』
Bwoo



What a cute mask.
Fu fu. Thank you.

I got it at this cute shop I found recently. I'll take you there next time
Yes, I'd like a cute mask like that as well
They have all kinds of designs.

Even the inside is decorated
glirp
Ah, you don't need to show me that now

『Sorry that I can't help...』
Shall we have lunch inside today?
That migh— ni—...
HECHOO!
HECHOO!
HECHOO
HECHOO
paks
paks
Heeh
Gheeh
Are you okay, senpai?
I— I'm... okeh— hey...
paks
HECHOO
paks
HECHOO
It's like a balloon yoyo ..

『I couldn't believe my eyes...』
Yoriko-senpai, your sneezes are kind of cute, in a way
HECHOO
Thanks, I try hard to keep it under control when I'm in public
bwff
Yes, of course
...All right. No one's around at the moment, so I guess I could
Eh? I don't mean to pressure you. It's fine if you don't...
Heeh, haah..
Though I'm curious how you sneeze normally, Senpai
SWING!
Bweshiii!!
REBOUND
DEFINITELY NEVER SNEEZE LIKE THAT IN PUBLIC, PLEASE!

Haah. During breaks is one thing, but...
repeatedly having to blow my nose during class is really annoying
crumple
『Let's rip off the excess bits』
bfft
You could try stuffing your nose with a tissue during class
Stuffing my nose?
I see! You're a genius, Sayuri.
Like this
Like a cork. So nothing runs out. You can hide the tissue under your mask.
Oh no, I just saw a friend do it.
Eheh
fiddle
Even more like a bull's nose ring than I thought she would

Senpai, why are you carrying toilet paper?
『Trying to imagine it』
I ran out of tissues so I borrowed a roll
I'll return a new one tomorrow
You must have had it hard.

But isn't toilet paper a bit too rough to stuff in your nose?
Our school actually has high-grade ones that are incredibly soft
Eeh, is that so?

roll
roll
roll
roll
Senpai... Do you always do this on the toilet?

I'd like to stuff my nose now Lend me your fingers
plop

『Slightly low self-control...?』
Aah... Coming outside my eyes itch a lot
rub
rub
It's like, when you itch, you scratch without thinking
It's not good to rub your eyes too much.
Yes, indeed!
...
fu fu
A bug bite can itch so much, it'll spread over your entire body!
One of my relatives became blind after scratching his eyes too much .. So I really mustn't!
B— blind?!
No way. To go blind like that. The thought alone..
rub
rub
DON'T RUB YOUR EYES WHILE WIPING THE TEARS!

Hand in hand we face the trials and tribulations ahead.

As we go into mid-spring.
